

NEED HELP?

SafeCare Men's Group Treatment Program

This community-based specialist group treatment program is for men who have sexually offended against a child or are at risk of doing so as well as those who want to address issues relating to Problematic Internet Use (PIU) and/or charges of Child Exploitation Material (CEM) and other child sexual abuse internet offending.

The 20-30 weekly session program is based on a distillation of the Safecare treatment program which covers victim empathy training, childhood issues, relapse prevention strategies and Internet / CEM offending. The group program is available at a number of locations across Perth.

Women's Support Group

The SafeCare Women's Support Group meets fortnightly in Fremantle and welcomes women whose family members have offended. It provides a supportive environment for participants to discuss the wide range of issues that they face. . By way of background see the **Sunday Times** article *The women left behind by child sex offenders*. Also available are the Women's Voices that were played at the 4th Perth Symposium on Child Sexual Abuse Prevention.
