

SAFECARE METHOD INTENSIVE TRAINING PROGRAM

EXPRESSIONS OF INTEREST

Expressions of Interest are now open for people to participate in the **SafeCare Method Intensive Training Program**. The *SafeCare Method* is used in the treatment of child sexual abuse and child exploitation material offending.

The training program is for people who want to increase their understanding and skills in working with people who have harmed or are at risk of harming children to stop the abuse. It provides an insight into the underlying causes and effective treatment of child sexual abuse. It is an ideal professional development opportunity for psychologists, social workers, psychiatrists and people who work in mental health and family violence.
